

Aluminum outdoor wall light "Dona" - IP44 - E27

Ref. L5067

Aluminum wall sconce for outdoor use with a modern and elegant design. It has a semicircular diffuser in transparent polycarbonate that protects the bulb and creates a pleasant effect to the passage of light. Its IP44 rating makes it an ideal fixture to place in covered outdoor spaces such as balconies, terraces or porches, where in addition to providing luminosity, it'll create a warm and inviting atmosphere.** E27 socket - light bulb not included (maximum diameter 65cm)**
