

### Linear LED adjustable luminaire for magnetic rail 48V - 6W - UGR16 - White

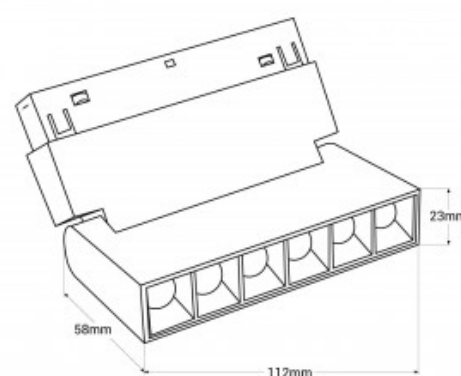

#### Ref. PML-6WU18-B

Linear spotlight for magnetic rail with 6W of power, with modern design and great versatility. It is easily installed by pressing the base on the rail, without the need for tools. Its low glare index (UGR16) guarantees high lighting comfort for users. In addition, its high color rendering index (CRI>90) allows displaying colors with high fidelity. With a swivel angle of 180°, it allows the light to be directed to the desired point. Available in white and in two shades: warm white and neutral white.
