

1-phase track LED spotlight special for cosmetics, fashion and retail - 4000K - COB LED - PHILIPS Driver - 40W

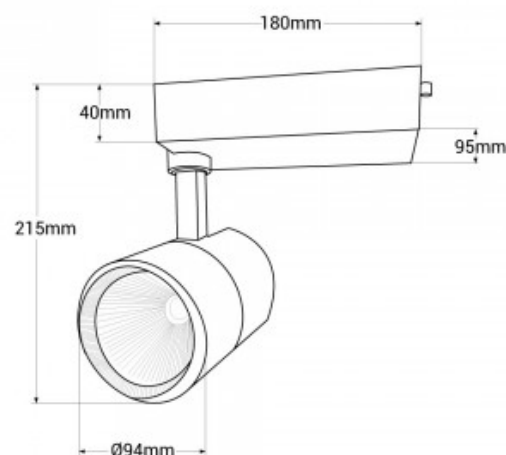

Ref. B00574-RET-4K

LED spotlight for 1-phase track, especially for stores specializing in beauty products and clothing stores. It stands out for its striking compact design and has PHILIPS CertaDrive driver, incorporated in the same piece of connection of the spotlight to the rail. It features a rotatable body and emits neutral-toned light that helps enhance skin tones and the cosmetics applied to it. Furthermore, the bright lighting from its COB chip and a high color rendering index, CRI>90, allows for highlighting the colors and textures of clothing, positively influencing the customer's purchasing decision. Available in white or black.
