

1-phase track LED spotlight special for bakeries - COB LED - Philips Driver - 40W

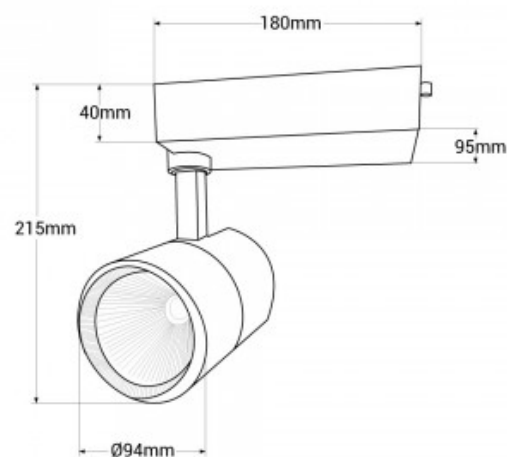

Ref. B00574-PAN

1-phase LED track spotlight especially for bakeries. It stands out for its striking compact design and its high quality PHILIPS CertaDrive driver. This is incorporated in the same piece of connection of the spotlight to the rail. Its powerful light beam with COB LED chip illuminates with precision the details, with a high color rendering index (CRI>80), allowing to show the real colors in a natural way. It has a 360° rotating body and a 45° beam angle, providing an ideal spot light to highlight products. It emits lighting in a range of the extra warm-toned spectrum, allowing the color of bakery and pastry products, as well as wines and cheeses, to stand out. In this way, it significantly influences the customer's purchasing decision. Available in white or black.
