

## Round tilting downlight ring for GU10 / MR16 bulb - Cutout Ø72 mm

### Ref. B952

Adjustable aluminum downlight ring specially designed to accommodate GU10/MR16 LED bulbs. Its installation is very simple since it integrates perfectly to the ceiling. Thanks to its adjustable design, it enables you to direct light precisely to your desired point. Available in white and nickel color. Highly versatile, this recessed ring can be used in both domestic and commercial environments, either in new construction or to replace existing bulbs. \*\* Light bulb not included\*\*.
