

Single-color RF dimmer control for LED lighting up to 4 zones - SUNRICHER - Easy RF

Ref. SR-2801F

The D2801F is a remote control for control and dimming of single color LED luminaires with RF signal. Compact in form and with an easy-to-use interface, it can control up to 4 independent zones and provide smooth, homogeneous and flicker-free dimming from 0.1% to 100% without flickering. Range up to 20 meters from the receiver. Includes batteries and magnetic wall bracket. Compatible with the Sunricher Easy RF product range.
