

Digital LED advertising sign P2.5mm - Serial connectable

Ref. DP2.5T6

The Full Color LED Advertising Display with Nova T50 System is one of the most innovative options on the market. Unlike the T1, the Nova T50 System allows you to individually connect up to eight screens in one, emitting a single image and causing a sensation that will envelop the customer and capture their attention. High definition digital display with front protection for indoor use. Used in shopping malls, stores, meeting rooms, airports, gas stations, restaurants. High definition technology and the mobility of a transportable visual content element. PRODUCT SUBJECT TO ADDITIONAL SHIPPING AND HANDLING COSTS: +100€ for shipping in peninsula and Balearic Islands. **PRICE PER UNIT**. Final net price, no additional discounts or coupons allowed.
