

Black Diffuser for 17mm (2m) LED strip profiles

Ref. BDN17

Black diffuser for 17mm profiles. Installing LED strip profiles with black diffusers will achieve a decorative effect that will be completely integrated into the wall or ceiling with a totally black finish. If the wall or ceiling is black, when we turn off the lights of the LED strip the installation of the profile will not be visible. Valid for profiles: Surface Aluminum Profiles: 17x8mm (ref: BPERF17X8), 58x9mm (ref: BPERF58X9), 17x15mm (ref: BPERF17X15). Recessed Aluminum Profile: 23x15mm (ref: BPERF23X15), 23x8mm (ref: BPERF23X8),
