

LED panel slim 60X60 cm - Driver Philips - 44W - UGR19

Ref. B5235

The PHILIPS recessed LED panel with driver features an elegant, ultra-slim design and state-of-the-art technology that allows it to provide powerful, uniform illumination in 3 shades: warm white (3000K), neutral white (4000K) and cool white (6000K). It is a high efficiency luminaire with a power of 44W and a luminous flux of 3800 lumens. Ideal for offices, conference rooms, schools or hospitals. Thanks to its high color rendering index (CRI>80) it reproduces colors very similar to natural light. The panel can be mounted in false ceilings or recessed directly into plasterboard using a recessing frame (not included).
