

## ALBA" LED outdoor wall light - GU10 5W bulb included

### Ref. L1552-WB

Wall light for outdoor use with a modern and elegant design. It has a body made of aluminum and a tempered glass diffuser that protects the bulb and creates a pleasant effect to the passage of light. Its IP44 degree of protection makes it an ideal wall light to place in covered outdoor spaces such as balconies, terraces or porches, where in addition to providing luminosity, it will create a pleasant and cozy atmosphere. It includes a 5W GU10 bulb that emits a warm light (2700K). Available in white, black and gray.
