

SONOFF TOUCH Dual WiFi / SmartHome touch switch

Ref. SONOFFT0EU2C

Recessed SONOFF TOUCH dual touch switch. The two-channel touch switch allows you to control two lights independently. It can be controlled by WiFi or SMART devices (smartphone, Amazon Alexa, Google Home). The eWeLink app allows to control the device remotely, from anywhere. ON/OFF function. Made of high quality glass with a high decorative level for your home. With timer and programs to turn on or off your lamps at a specific time. Create smart scenes to turn on a group of devices at once with a single touch or turn on and off different ones.

Escena inteligente

Crear escenas inteligentes para hacer que un dispositivo SONOFF active o desactive otro, o agrupar varios dispositivos para controlarlos con un solo toque.

Temporiza y programa

Establece horarios para encender o apagar las luces
