

## Wooden wall sconces with switch and plug "RUDER".

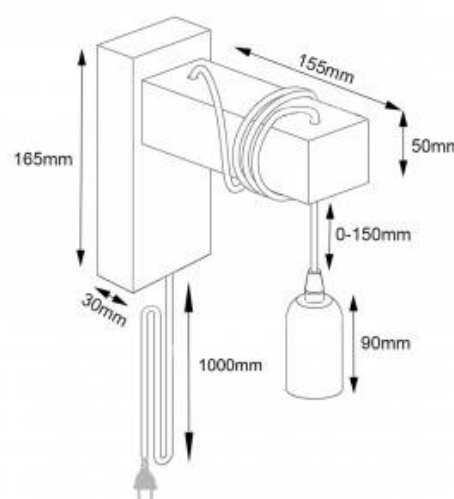

### Ref. LM130-EU

Wooden wall sconces with vintage design and detailed black and white finishes. Wall sconces designed with pendant lamp. The wall sconce integrates an aluminum socket and cable with black/white switch. Provides a rustic style to your home. The lamp has a flexible cable that allows you to customize the height by winding it on the wooden structure. E27 socket, bulb is not included, it is recommended to place a LED Edison filament bulb. Ideal for decorating any space in stores, restaurants, bars, or home rooms such as bedrooms or dining rooms. Exclusive for indoor use.
