

21.5" LCD advertising display with automatic gel dispenser

Ref. YGHYGN02C-21-B

The 21.5" LCD advertising display with gel dispenser is an innovative product that combines advertising and health in one device. This display with dispenser is revolutionary due to the current sanitary conditions and its simple design makes it ideal to place in any store, mall entrance or other premises. It allows sending content via USB and also has WiFi and ethernet connection. It incorporates an automatic motion detection system that avoids the need to touch the dispenser. Product subject to special shipping conditions: +100€ +VAT- No additional discounts or coupons allowed.
