

Kardan recessed tilting for 2 bulbs GU10, MR16

Ref. B983-C

Kardan type trim for two GU10 MR16 bulbs. Made of polycarbonate with a size of 173x93x25mm and a cutting diameter of Ø80x160mm. Recessed trim available in black, white and silver finishes. The two adjustable rings allow us to illuminate at any angle. Kardans are ideal for any type of business and any room in the home. The recessed installation is done by click in a very simple way, being fully integrated into the ceiling. Ideal for installation of dichroics in portholes with LED bulbs MR16/GU10.*Bulb and socket are not included*.173x93x25mmCut: Ø80x160mmRecessed
