

Rustic wooden wall light "MILA".

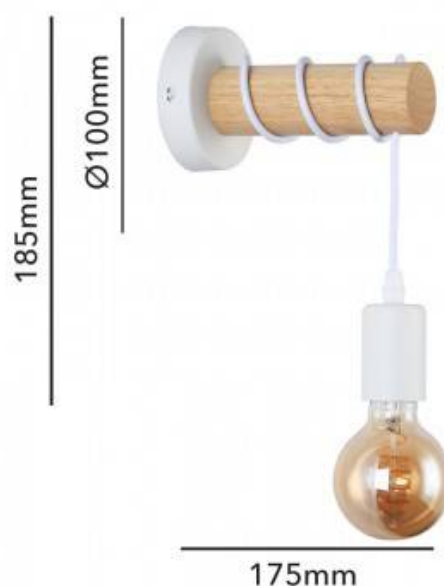

Ref. LM135

Wall sconces with a rustic and vintage design that combines light and solid solid wood with aluminum base, creating a robust, striking and elegant look. Exclusive for interior, with IP20 protection degree. With geometric design and retro minimalist style perfect for any home or business. Widely used in decorating hallways, bedrooms, staircases, living rooms, restaurants, study rooms, cafes, hotels, etc. The wall sconce features a flexible cable that allows you to customize the height by winding it on the cylindrical wooden structure, maximum 15cm in height. It integrates an E27 socket, the bulb is not included. We recommend placing filament or Edison bulbs to complete the retro style of the lamp.
