

## ELLEN" Astronaut wall lamp for children

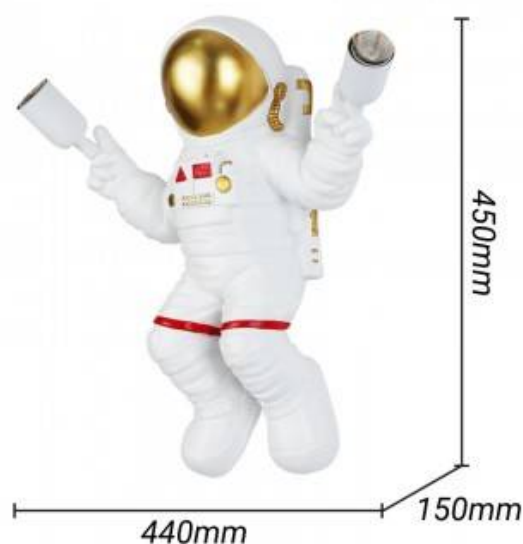

### Ref. L4036-P-1

Original children's wall lamp made of resin, with double socket for E27 bulbs, maximum power 40W each, the bulb is not included. Creative wall sconces in the shape of astronaut in white color. Perfect to illuminate the children's room or to decorate any room for space fans. High quality materials, resistant and long lasting. Ideal for indoor lighting, with IP20 protection. The astronaut wall light holds two E27 sockets in both hands. The E27 bulb is not included. We recommend installing filament bulbs to create a unique atmosphere in the room. With all the elements for a quick and easy installation.
