

CCT 40W single-phase LED track spotlight - PHILIPS Driver - 3600lm

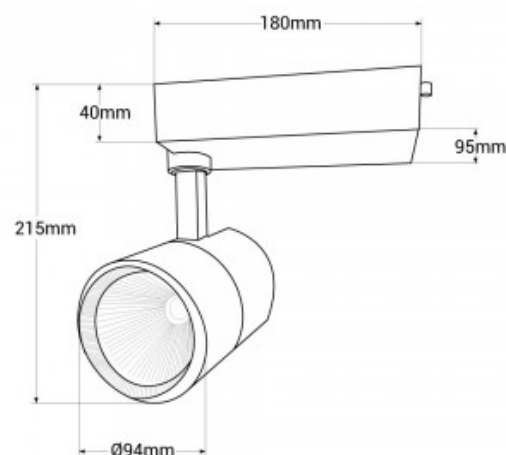

Ref. B00574-CCT

CCT LED spotlight for single-phase track, equipped with PHILIPS driver and a high performance COB light source, which guarantees an excellent light quality. It has 40W of power, a luminous flux of 3600lm and a CRI>80. Its tilting and rotating head allows you to direct the light beam to the desired point. In addition, its 45° opening angle provides an ideal light to highlight objects or products. Due to its characteristics, this track spotlight is a versatile and efficient solution for store, commercial and retail lighting. Its CCT system allows the color temperature to be adjusted and the desired type of light to be selected. Available in white or matte black.
