

Kit SKYline linear lighting 120led/m 90W 5m

Ref. SKY5

SKYline complete kit to create innovative linear suspended lighting. SKYline suspended linear lighting technology provides a unique and professional look with multiple ways of installation. With a length of 5 meters it allows to illuminate in different ways: as wallwasher, indirect lighting or as direct light. Modern and minimalist look, mainly used as decorative lighting indoors or for modern and differential lighting in museums, hotels, art galleries, stores, etc. Attachment accessories allow orientation up to 45 degrees, both horizontally and vertically. The kit includes the 24V 90W LED strip, with a length of 5 meters. 24V power supply required, not included.

Emitiendo hacia arriba, excelente efecto de luz

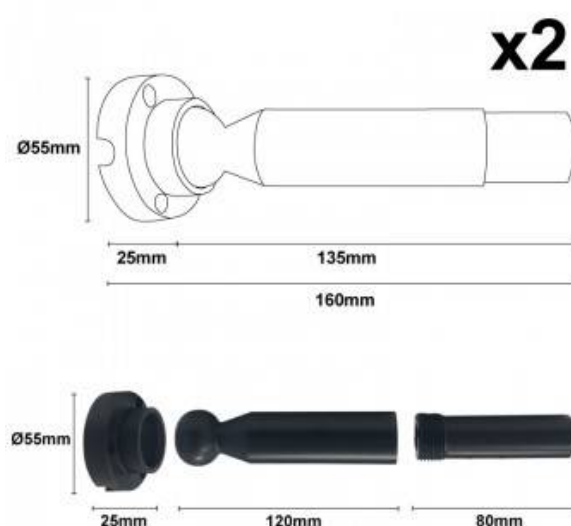

Emisión de luz hacia abajo, antideslumbrante
