

Aluminum profile for stair treads and stairs 80x50mm (2mt)

Ref. BPERF80X50

80x50mm recessed aluminum profile for steps and stairs. 80x50mm recessed aluminium profile for steps and stairs specially designed to install LED strips up to 12mm wide at the bottom, decorating and creating indirect light. Illuminate your stairs in an original and different way with these profiles. They are also very resistant and elegant so you will protect the corners while giving an aesthetic touch. Ideal for cinemas, theaters, restaurants, bars, hotels, for your home too. The aluminum profile for steps is extruded as a non-slip front for your steps, avoiding falls, trips and slips.
