

LED recessed spotlight with zoom - Adjustable - Cree Chip - 2700K - 3W

Ref. B2050

LED recessed spotlight with zoom of small dimensions, easily integrated into any lighting project that requires accent lighting or highlight. It is fully addressable to direct the light to the desired point. In addition, it has a zoom that allows to regulate the angle of light aperture from 10° to 60°, according to the needs. It incorporates top quality Cree COB LED chips, a driver and a base for recessed installation in ceilings or walls. It emits a warm white light (2700K), with a power of 3W and a brightness of 200 lumens. Made of matt lacquered aluminum, it is available in white or black.
