

Aluminum profile for LED strip wall washer 66x120mm (2m)

Ref. BPERFALP194

The 2m long aluminum profile for surfaces, is a very useful wall washer for our LED strips, if we intend to illuminate and highlight the ceiling of our homes. These look great for example in museums and art galleries, but also serve perfectly to illuminate our room and generate a minimalist and modern space. It can also be used as a decorative element or indirect lighting on empty walls.- Plugs and LED not included -
