

Aluminum profile for LED strip 35.9x14mm (2m)

Ref. BPERFALP068-SR1

The 2m recessed aluminum profile is a very useful accessory for our LED strips . It serves to illuminate and highlight walls, ceilings, etc.. These look great for example in museums and art galleries, but also serve perfectly to illuminate our room and create a minimalist and modern space. They can also be used as a decorative element. - Plugs and LED not included -
