Wall Sconces

Integrated linear LED wall light - 13W - 60cm - IP20

Ref. LN1578-60-N

This wall lamp has a simple and modern design, and is made of high quality aluminum. It emits a diffused and homogeneous light in warm white tone thanks to its integrated LED luminaire. It has a power of 13W. We recommend placing this wall lamp in circulation areas, in a living room, a dining room, a bedroom, or a hall to create the most incredible effects.
