

LED wall light for bathroom mirror - 5W

Ref. LE220-30

LED bathroom wall light with a simple and timeless design with chrome side edges, ideal for mounting above or next to a mirror. It features a high color rendering index (CRI=80), allowing to visualize colors with high fidelity, similar to natural light. In addition, its polycarbonate diffuser distributes the light evenly along the entire length of the fixture, minimizing shadows on the face and making this fixture perfect for installation above the bathroom mirror. It has a light output of 5W and an IP44 protection rating, which guarantees its durability in high humidity environments, and even makes it resistant to splashes. It is available in two light shades: neutral white (4000K) and warm white (3000K).

Product data

Hue	Neutral white, Warm white
Kelvin (K)	3000, 4000
Lumens (Lm)	450
CRI	80
LED Type	SMD 2835
