

## Watertight power supply 150W 24V IP67- GLP

### Ref. GPV-150-24

Global Leader Power' s GPV series of waterproof switching power supplies will prove useful in even the most demanding applications.\* Delivery in 15 daysPower 150WRated Voltage: 24 V(Rated Current) Output Current 6A

### Datos del producto

|                       |                                       |
|-----------------------|---------------------------------------|
| Power (W)             | 150                                   |
| Nominal Voltage (V)   | 200 - 250V AC                         |
| Dimensions (mm) LxLxh | 203 × 70 × 45                         |
| Use Outdoor           | Yes                                   |
| IP                    | IP67                                  |
| Temperature range     | -30 ~ +70 °C                          |
| Certificates          | CE, ROHS                              |
| Warranty              | According to legal guarantee: 2 years |
| Output voltage (V)    | 24V                                   |
| Maximum intensity (A) | 6                                     |
