

Opal diffuser for aluminum profile 20x27mm (2mt)

Ref. BDBO20X27

Opal white diffuser for 20x27mm surface or hanging profile. The opal color better diffuses the light of your LED strips avoiding glare and that the chips are not seen. Also when using profiles with diffusers we help to a better heat dissipation extending the life of the strips in addition to achieving a more professional and aesthetic installation.
