

Kit of 3 Nordic pendant lamps "SOLVANG - HELGA - KOLDING".

Ref. LN-3000K

Kit of 3 Nordic hanging lamps "SOLVANG - HELGA - KOLDING". Perfect for creating warm and cozy environments, inspired by the models Tom Dixon - Beat tall. They are 3 lamps with minimalist and elegant style, of these models we can highlight its elegance and minimalism that transmit us with each of its details. Its Nordic Scandinavian design, made of aluminum and matt lacquered on the outside and golden colors inside, is perfect for open spaces, little cluttered. When the lamps are turned on, a golden light will invade the entire room, creating a warm and cozy lighting effect. This luminosity is achieved by the golden tones that bathe the interior of the lamps, but also by its interior texture that reminds us of the honeycomb of a swarm of bees.
