

Three-phase LED track spotlight CCT 42W - CRI 95 - Integrated Philips Xitanium Driver

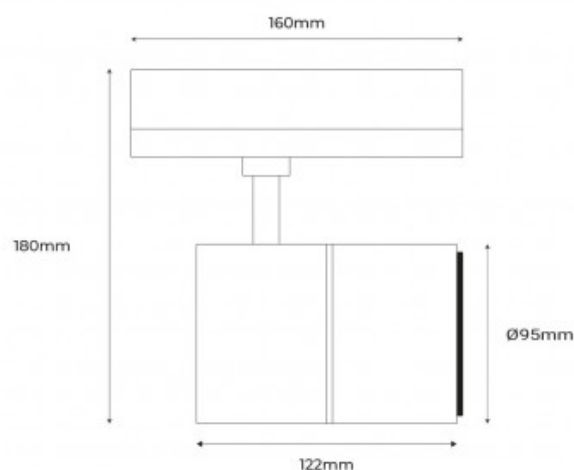

Ref. B00591-CCT

LED spotlight for three-phase track that stands out for its striking compact design and its high quality Philips Xitanium "intrack" driver, incorporated in the same connection piece of the spotlight to the track. Its powerful beam of light with COB LED chip illuminates with precision the details, with a high color rendering index (CRI=95), allowing to show the real colors in a natural way. It has a 360° rotating body and a focal light angle of 45°, providing an ideal spot light to highlight objects or products. In addition, its CCT system offers the possibility of adjusting the color temperature, allowing to select the type of light that best suits the needs of each project. 5 years warranty** ** 5 years warranty** ** 5 years warranty** ** 5 years warranty** ** 5 years warranty** ** 5 years warranty
