

Modern wall lamp "WAVE" - 40W - 2800K

Ref. L3074-N

"WAVE" is a contemporary wall light with an original and attractive wave design. It incorporates a high quality LED luminaire that provides uniform and diffused warm white (2800 K) illumination. The product is equipped with an Eaglerise driver and other high quality components, ensuring a long service life. Its black aluminum structure and informal look make this wall lamp an exceptional object that perfectly fits any style of modern interior design.
