

## KIT Garden stake + Bulb GU10 LED 5W in green

### Ref. B1942-GU10-VE

LED garden stake + 5W GU10 LED bulb in green color. The garden stake is a kind of spike that you can stick in soft soils such as soil or sand. They are ideal for sticking in plants, grass and soil outdoors such as gardens, parks, terraces, patios, beach bars. Illuminate, decorate and signage with this stake high resistance to shock and weather changes. A GU10 is the most common type of light bulb found in most homes and offices today. GU10 refers to the connection type, that is, the two short pins (anchor points) protruding from the base of the bulb.

### Datos del producto
