

Wicker wall sconce "BLIND".

Ref. LM160

Our "BLIND" wall sconce offers a simple and elegant design that combines a black metal base with a handcrafted wicker shade. Its interweaving allows to create a beautiful play of light and shadows with the passage of light, giving rise to warm and cozy atmospheres. This wall lamp is ideal as a reading light on the bedside table, or as a support light in different rooms of the home.** E27 bulb - Not included**.
