

"NOAH" wall sconce with LED reading light - 3.4W

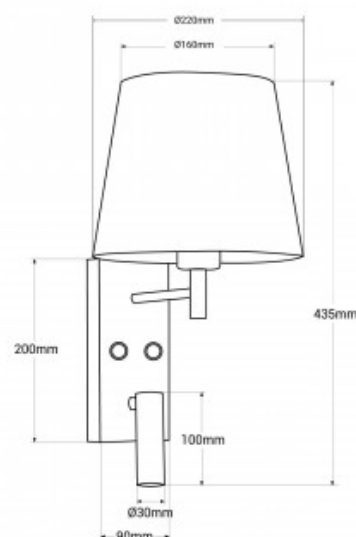

Ref. L2032

The "NOAH" wall lamp is specially designed to be installed on headboards. It features an elegant fabric lampshade and incorporates a 3.4W adjustable LED spotlight that works as a reading lamp. Thus, it enables you to select either the ambient lighting from the lampshade or the focused beam of its LED spotlight using two independent switches. Its structure is made of metal with high quality epoxy paint finish and is available in black and white colours. The lampshade supports an E27 bulb (not included). The LED spotlight emits warm white light (3000K). **E27 bulb not included**
