

## 200W LED hood with PHILIPS driver and DALI IP65 driver

### Ref. K8137-200-5K-D

High power 200W industrial LED light fixture at 220-240V/AC and high luminous efficiency. With extra-flat and lightweight circular design, which allows easy and quick installation. It generates a powerful cold white light (5000K) ideal for industrial warehouses, large surfaces, workshops, sports and recreational spaces. Manufactured with Philips Lumileds LEDs of maximum efficiency, with 160lm/chips that will allow you to save on your electricity bill. Driver Philips dimmable 1-10V by means of Dali. With the DALI system it is possible to create a fully programmable professional installation, making groups, scenes, adding motion sensors, programming schedules, lighting intensity, etc. ✓ Tin-plated cables for quick and convenient installation. ✓ Philips driver ✓ Dali Driver ✓ Quick connector

### Datos del producto

Kelvin (K)	5000
Efficiency (Lm/w)	160
Dimmable	Yes
Power (W)	200
Nominal Voltage (V)	230
Dimensions (mm) Lxhx	Ø310x99.4mm
IP	IP65

Cable: 1500mm  
Philips Lumiled
