

Dimmable LED High Bay 150W IP65 with motion sensor

Ref. K8138-150-S

High power 150W industrial LED light fixture at 220-240V/AC. With circular design, extra flat and light, which allows to be installed easily and quickly. Available in warm white (3000K), neutral white (4000K) and cool white (5000K). Ideal for industrial warehouses, large areas, workshops, sports and recreational spaces. Manufactured with Philips Lumileds LEDs of maximum efficiency, with 160lm/chips that will allow you to save on your electricity bill. 1-10V dimmable LIFUD driver with microwave motion sensor. The motion sensor operates at 10-15V DC and has 3 switching modes. It activates, switches off or goes into "Standby" mode with movements and movements in its radius of action. This way you can save energy consumption and be more sustainable. It has an IP65 degree of protection, perfect for outdoor and indoor use exposed to humidity and high temperatures. It also includes a quick connector for easy and convenient installation. ✓ Tin-plated cables for quick and convenient installation. ✓ LIFUD driver ✓ Microwave motion sensor ✓ Quick connector

Product data

Kelvin (K)	3000, 4000, 5000
Lumens (Lm)	24000lm
Efficiency (Lm/w)	160
CRI	70-80
Power (W)	150
Nominal Voltage (V)	220 - 240 V/AC
Dimensions (mm) LxLxh	Ø280x97.4mm
Material	Metal
IP	IP65
Certificates	CE, ROHS
Mounting	Hanging
