

**RGBW outdoor LED floodlight with remote control - IP65 - 120° - 50W****Ref. B1458-N**

The RGBW directional outdoor LED floodlight is a durable and efficient lighting fixture. With 50W power and IP65 protection rating, this floodlight is suitable for outdoor use, even in adverse weather conditions. It is ideal for replacing traditional spotlights up to 300W, allowing for great energy savings. In addition, its ability to create numerous color options and possible configurations makes it an excellent choice for customizing lighting in different situations. It has a remote control to control all functions. It includes a spike for ground fixing.
