

2.5W
IP20

LED recessed emergency light 150lm 2,5W - 3 hours IP20

Ref. K1057

The 2.5W recessed LED emergency light has an IP20 degree of protection, so it is intended to be used indoors. Its uses are varied, being able to be installed in a recessed manner in ceilings, both at home and in any commercial premises, offices, hotels, etc.. It includes a Ni-mH battery of 3.6V and 0.6Ah and has an autonomy of 3 hours. Its LED technology allows great energy savings and excellent performance.

Datos del producto
