

Tilting downlight ring for three GU10/MR16 bulbs - Cutout 75 x 235 mm

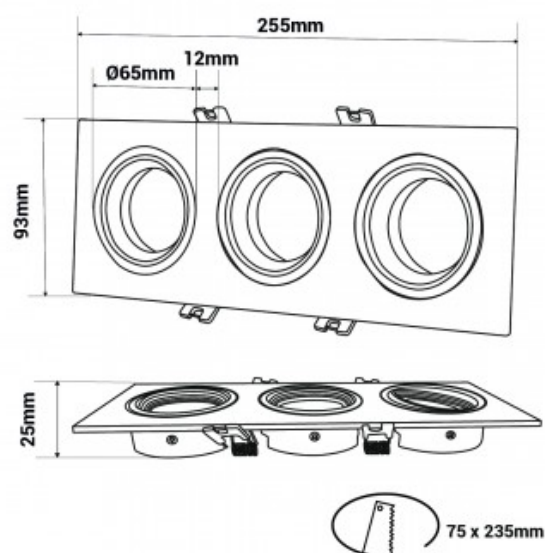

Ref. B996

Triple polycarbonate recessed ring specially designed to accommodate three GU10/MR16 LED bulbs. It has three tilting rings that allows directing the light to the desired point independently for each bulb. It has an elegant and simple look and is available in two colors: black and white. Highly versatile, this recessed ring can be used in both domestic and commercial environments, either in new construction or to replace existing bulbs.** Bulbs not included**.
