

### LED wall light for pictures with rechargeable battery - Dimmable - 4W - 34cm

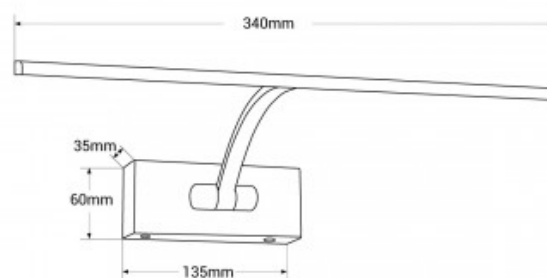

#### Ref. LN1524-BC

Dimmable LED Wall Light - 4W slim and sleek design, with built-in rechargeable battery. It offers a bright and uniform illumination, without shadows or glare. It allows to highlight every detail of the work with precision and clarity, revealing nuances and textures in an exceptional way. Its installation is very simple and, as it does not require electrical connection, it is ideal for temporary or itinerant art exhibitions. Available in bronze, black and chrome.
