

USB Flexible wall reading light "LONDON USB" - CREE Chip - 3W

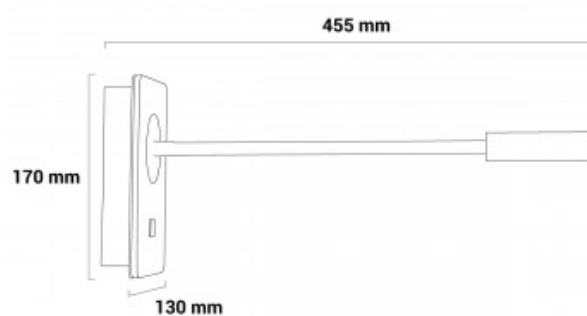

Ref. LN1511-USB

The "LONDON USB" flexible wall light was designed specifically to serve as a reading light for the headboard. It features an adjustable flexible arm, a 3W LED spotlight, and a USB port to connect any compatible device. It emits warm white light (2800K) with a luminous flux of 450 lm. It stands out for its high quality finishes and the warm touch provided by the wood. Available in black and white.
