

GOBO LED Projector for three-phase track - 20W - indoor - IP20

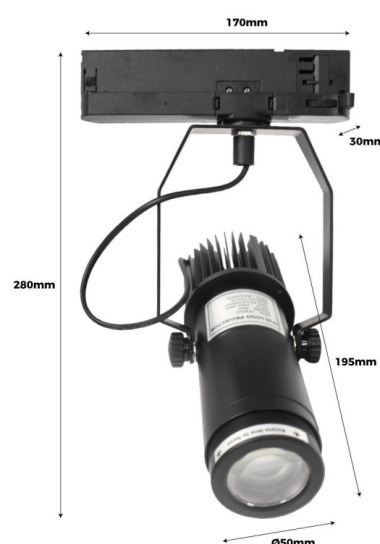

Ref. BLP20I-TRI-F

GOBO LED projector for projection of logos, images and badges. The logo projectors are also known as LED GOBO, GOBO projector or GOBO LED. With 20W of power and a luminous intensity of 2200 lumens, this projector is designed for installation on indoor three-phase tracks. It projects fixed images in high definition. It features a 20° optic lens whose focus is manually adjustable. It can rotate and tilt 360°, allowing you to aim the beam of light in the desired direction. It reaches a range of 5-15 meters in darkness and 3-4 meters in daylight. Barcelona LED offers the service of laser engraving logos on the mirror crystals. The purchase includes the engraving of a first logo in up to 4 colors free of charge (estimated delivery time: 10-15 days).

Datos del producto
