Linear LED surface mounted luminaire - 33W - 120cm - IP20

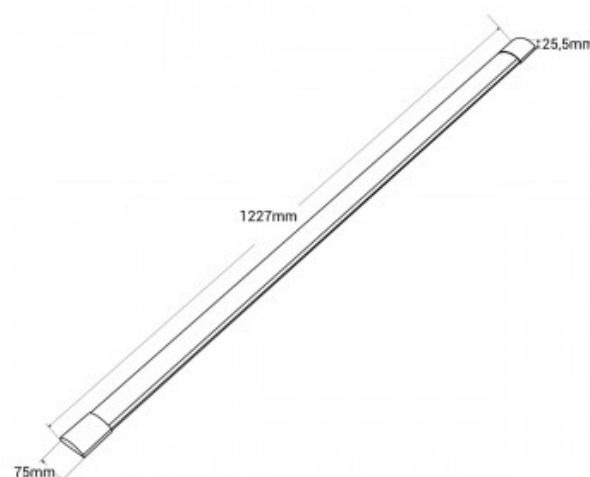

Ref. B8560-120

Linear LED luminaire 120cm long, ideal for replacing traditional fluorescent tubes, as it combines quality with substantial energy savings. With a power of 33W, it emits a homogeneous and glare-free light thanks to its opal diffuser, at an angle of 120°. Available in neutral white (4000K) and cool white (6500K). Included: screws and set of metal staples for fastening** **Set of screws and metal staples for fastening**.
