

**Solar LED bollard with stake "FELICE 200 SPIKE" 18cm with PIR sensor - 3 modes of operation - CCT**

**Ref. FE1.572.000.A0S1KOP2**

Solar LED garden bollard with stake from the Italian company FUMAGALLI, with motion sensor and replaceable battery. It is made of resin resistant to shock, corrosion and degradation by UV rays. Perfect for illuminating gardens, terraces or as a point of light in any outdoor space. It is installed nailed in the grass, sand or earth. It incorporates CCT system that allows adjusting the color temperature between warm white, cool white and neutral white. In addition, it has 3 operating modes: summer, winter or sensor. It is a luminaire with Class III protection and IP55. Available in black color with opal reflector.
