

Pack x 2 - LED outdoor solar spotlight with spike - 1W (2x0,5W) - IP65

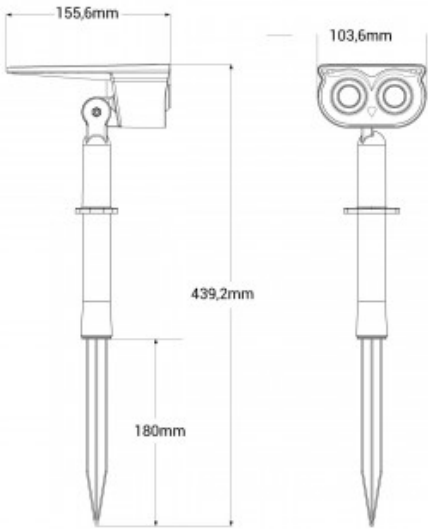

Ref. SL26

Pack of 2 outdoor solar spotlights with original owl design. Each spotlight incorporates two addressable LED luminaires of 0.5W each and a solar panel that allows recharging its internal battery. The battery charges automatically during the day and has an autonomy of up to 12 hours. At night the lights turn on automatically. They have a spike that allows an easy and firm installation in the ground, lawn or pot. Available in warm white (3000K) and cool white (6500K).
