

Female quick connector for IC digital LED strip - 5-24V DC

Ref. B1681-H

The 3-pin female quick connector allows you to connect 5-24V DC digital IC LED strips to devices and controllers, simplifying installation without the need for soldering. Whether in home, commercial, or entertainment applications, this connector provides a reliable, practical, and efficient connection.

Datos del producto

Nominal Voltage (V)	5-24V
Material	Metal, Plastic
Use Outdoor	No
IP	IP20
Temperature range	-20°C ~ +40°C
Frequency of use	Intensive
Certificates	CE, ROHS
Warranty	According to legal guarantee: 2 years
Control system	IC
