

Wall reading light "Quart" - Double light - 3W+6W

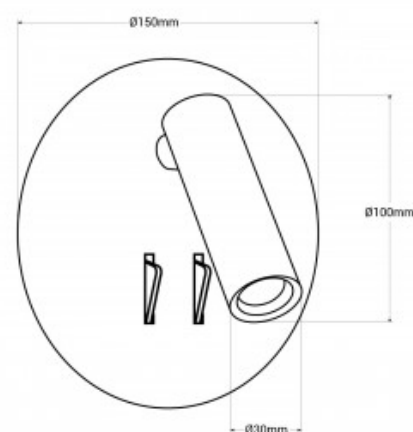

Ref. LN1547

Wall-mounted fixture specially designed to be installed on bed headboards, and provides both reading and ambient lighting. It incorporates an adjustable 3W spotlight that functions as a reading lamp and a 6W perimeter luminaire that provides diffuse ambient lighting. It has two independent switches that facilitate its control. Both luminaires emit warm white light (2700K). Available in white and black.
