

Solar string light - 15 E27 LED Filament Bulbs - IP44 - 10 metres

Ref. SL32-270

Discover the magic of lighting with our outdoor solar string light. It includes 15 E27 filament LED bulbs, each with a power of 0.3W, which provide a soft and pleasant light. Equipped with solar technology, it turns on automatically at dusk. Thanks to its IP44 protection rating, this solar string light is suitable for outdoor use, without direct exposure to rain. Transform your outdoor events or evenings into magical moments with this sustainable and enchanting garland of lights.
