

Adjustable linear track light - CCT - 10W - UGR18 - Mi Light - White

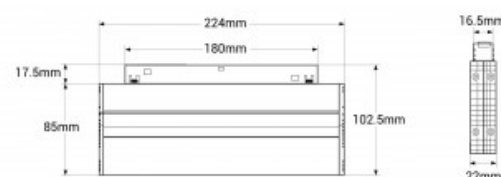

Ref. MG2-10FW-RF

10W magnetic track light with opal diffuser, featuring modern design and great versatility. It's easily installed by pressing the base onto the track, without the need for tools. It allows you to control the brightness, and thanks to its CCT system, it's also possible to adjust its colour temperature. It's controlled via 'Mi Light' remote (not included). Its low glare index (UGR18) ensures a high level of visual comfort for users. White housing.
