

Wall light "PAIR" E27 with 3W LED reading lamp

Ref. L3022

The "PAIR" wall lamp is specially designed to be installed on headboards. It has an elegant fabric lampshade and incorporates an adjustable 3W LED spotlight that works as a reading lamp. In this way, it allows to choose between the general lighting of the lampshade or the spot light of its LED spotlight by means of two independent switches. Its structure is made of metal with high quality epoxy paint finish and is available in 5 color variants: white, black, green, nickel and linen. The shade accepts one E27 bulb (not included). The LED bulb emits warm white (3000K) light. **E27 bulb not included
